6 YEARS OF PINAKA MEDIAWORKS

30th March, 2023

Dear valued audience, supporters, and patrons,

We, at Pinaka Mediaworks, would like to express our heartfelt gratitude to all of you for the immense love and support you have given us over the years.

It has been an incredible journey, and we could not have done it without your unwavering support.

In the last 6 years, we are proud to have collectively produced over 135 films, programs, and campaigns of varied lengths, each with a unique story and a message that reflects, or brings light to the social fabric of our nation and region.

We have strived to create films that not only entertain, but, also create an impact on global society.

We are humbled by the way our growing efforts are being recognized, and our stories are finding a place in the hearts of people.

Your appreciation and encouragement have inspired us to continue our mission of producing meaningful cinema.

Through our distribution Network - Rolling Frames Entertainment, our aim has always been to curate, release, and exhibit content that entertains, educates and inspires.

We want to thank you for your constant support and encouragement. Your feedback and appreciation have been our guiding light and have inspired us to keep pushing ourselves to bring more meaningful stories to the forefront.

We promise to keep working hard and bring you more inspiring and thought-provoking stories that celebrate our culture, values, and progressiveness.

Once again, thank you for being an integral part of the Pinaka Mediaworks & RFE family. Your support means the world to us, and we look forward to continuing this beautiful journey together.
